

## PROVINCIAL GRAND LODGE OF DEVONSHIRE

Dear Brethren

I think you all know that the Province is in Festival and that we take out duty to support our Brethren in need as one of the foremost in Freemasonry.

**To all who have contributed** I want to say a huge thank you. You make me so proud that you have prioritised your giving to support the Devonshire 2023 Festival and help us pay back some of the £5 million pounds we receive into the Province every decade. Do please continue to wear your jewels with pride - it does encourage others to support and so far 20% of you have felt able to help. Thank you.

**To all who genuinely cannot afford to contribute** – please be assured that we value you no less as a Freemason and we know that if you could you would support the Festival.

**To those yet to contribute** – please do so! I know there are always other priorities including good charities to support and we suggest that two thirds of giving should be to the Festival to support your friends and brothers in need and one third to other causes. But do remember that local charities do not fulfil our prime duty to help a Brother in need; his widow who cannot afford a funeral; his children in time of hardship; a Brother in need of medical treatment. That is what the MCF does so please help by subscribing to a Festival jewel

Yours sincerely and fraternally,

**RWBro Ian Kingsbury JP**  
**Provincial Grand Master of Devonshire**

**Provincial Office:** 7 Harrier Court, Exeter Airport, Clyst Honiton, Exeter EX5 2DR

**Telephone:** 01392 366578
